## MARINE LIST.

A French Lager Privateer, captured a Brig and a Schooner on Sunday Morning off the Bolt Head.

Two Privateers were off the Berry Head on Monday Morning, and it is supposed they captured a Brig.

The French Providence, Bevan, from Cork to Portsmouth, was captured on Sunday off the Start, by a Cutter Privateer: retaken by the Rotta SW. and arrived at Portsmouth on Monday.

The Lynx, Dewar, from New-Brunswick to London, was taken 23d Instant, in Lat. 48. Long. 14. by a French Privateer. The Crew arrived at Kingsbridge.

The Vigilant, Stevens, from Demerara to Liverpool, which was taken 13th Instant, by the Bretois Privateer, has been retaken by the Favorite SW. and arrived at Plymouth on Sunday.

The Arno, Merchant, from Boston to St. Anders, detained by the Neimen Frigate; and the Manlius, from Boston to Bordeaux, detained by the Unicorn Frigate, arrived at Plymouth on Monday.

The Hope, Lovett, from Petersburg to America, was carried into Liverpool 1st Inst. by the Theodore of Liverpool.

The Active, from Smyrna to Hall, and the Alexandria, from Malta to Smyrna, are taken and carried into the Negropont; and it is reported that two other Vessels are taken in the Archipelago.

The Sophia, Bigely, from Villa Nova to Guernsey, is taken by a French Privateer in the Mediterranean.

A French Store Ship of about 900 Tons burthen, laden with Corn, has been taken going into Corfu, and carried to Malta.

The account in the last List of the capture of the Nelly, Veitch, from Liverpool to Antigua, is supposed to be unfounded: as she did not sail from Cork until the 23d of December.

The Friendship, Striplin, arrived in the River from Demerara, spoke the Perseverance, French, from Newfoundland to Gibraltar, on 7th Instant, in Lat. 47. Long. 35.

The Harmony; the Margareta; and the Eliza; were lost in the River Plate, previous to the 5th of November. The Mediterranean Packet received some damage, and was taken into a Creek to be repaired.

Extracts of a Letter, dated Coleraine, 10th January.

"In the Gale of yesterday, the Badger, lying in Portrush Bay, brought home her Anchors, and beat so heavily on the Rocks, that she filled with water in a short time, and at low water the Crew were obliged to leave her. The Cargo I expect will be saved, with little expense, but if the blowing weather continues, I am afraid of the Vessel."

The Forlitude, Hurdle, from Dublin to Cadiz, foundered 20th Instant, in Lat. 50. 20. North, Long. 7. 25. West.—Crew saved by the Charlotte of Scarborough, and arrived at Kinsale.

A Spanish Brig laden with empty Bottles, has been found at Sea without any Person on Board, by the Semiramis Frigate, and carried to Plymouth. It is supposed that she was from Bristol to Corunna.

The Adventure, Leigh, from London to the Western Islands, was driven on shore in Torbay on Wednesday: the Cargo will be saved.

The following Vessels were driven on shore at Falmouth on Tuesday night, during a heavy Gale at SSW, viz. the Watt, Miller, from London to St. Thomas's, has been got off, but not without so much damage, that it is expected the Cargo must be landed for her to be repaired; the Sir Francis Baring, White, from Trinidad, in the mud, and safe; (part of her Cargo must be taken out to lighten her, before she can be got off); the Jimma, Winter, from London to St. Michael's; and the Elizabeth, Wheaton, from St. Michael's, since got off; the Jimma, with loss of Rudder and Keel broke; the Elizabeth, with loss of Rudder.—The following lost an Anchor and Cable each: viz. the Crown Prince, —, from London to Charleston, and the George, Taylor.

sea, drove out of the Pier, and was abandoned by the Crew; she was got back again by some Pilots, with damage. The Betsey, —, from Jersey to Waterford, cut from her Cables and received damage.—Several Vessels broke adrift at Plymouth during the Gale, but did not receive any material damage.

The Incomparable Longee Privateer, of 14 Guns and 53 Men, belonging to St. Maloes, was taken by boarding on Thursday evening, off the Dodman, by the Hind Revenue Cutter, of Falmouth. The Privateer had 7 Men killed and 9 wounded, and sunk soon after she was taken possession of. The Captain of the Incomparable, his first Officer, and 7 of the Crew were saved.—The Privateer had captured the Mary of Sunderland, Wardell, laden with Iron, for London, and was in company when the Hind fell in with her, but was immediately deserted, she arrived at Portsmouth on Saturday.

The Mary, Watson, sailed from Tobago on the 31st of January, bound to London; on the 7th of March, in Lat. 29. 46. Long. 67. the Robert, from Grenada to Newfoundland, fell in with her in great distress, making for Bermuda. Admiral Sawyer, on the 10th March dispatched H.M.S. Chubb, to afford her assistance, but on the 25th the Chubb returned to Bermuda without falling in with her.—The Accounts from Bermuda are to the 8th April, and the Mary had not arrived there, consequently there is reason to suppose that she has foundered.

The Brotherly Love, —, from London to the Bay of Fundy, was spoken with on the 7th July, in Lat. 45. Long. 59, all well; parted with the Fleet bound to Quebec, two days before.

The Royal Edward, Boyd, from Lisbon to London, put back to Lisbon 31st ult. being leaky.

The Woodside, —, laden with Coals, from the Clyde to Belfast, was lately lost in Red Bay, Antrim.

The Alexandra, Putman, from Charleston was taken 10th ult. in Lat. 49. Long. 4, by two French Privateers, and carried into Perros, near Morlaix.

 we have experienced a heavy Gale from
